

Authorization to Change Direct Deposit/Automatic Deposits

To easily enable The Brand Banking Company to switch your existing account to us, we ask for your help changing any direct deposits to your new account with our bank. For each deposit, please complete the requested information below and sign where indicated. Your original signature is required to authorize the transfer from your existing financial institution. Mail an original to each company for notification of change. Please allow sufficient time for change.

Print as many copies of this form as you need to notify each of the companies that you have direct deposit or automatic payments with before your next deposit. Enclose a voided check to verify your new account number.

My checking account at the following institution has been closed.			
Name of Previous Institution			
Previous ABA Routing Number		Previous Account Number	
Name on Account			
Social Security Number			
Phone Number			
Please establish direct deposit into my Brand Bank checking account. <i>I have enclosed a voided check to verify my new Brand Bank account number.</i>
